

Company:

The following items are required for your stage makeup.

These items can be found at Target, Ulta Beauty, Amazon, and most drugstores.

NYX, L'Oreal, Revlon and Covergirl are some of our favorite brands.

If you are unsure of where to start with Foundation...visit A Chorus Line in Valencia, they carry the full line of Ben Nye stage foundation and will color-match you in store.

We have included recommendations for certain products, but as long as you stay in the color palette feel free to buy brands you prefer.

***Please do your best to get the specific LIPSTICKS listed.

Note: Stage makeup is not meant to be viewed up close, the makeup will appear garish in normal light, but will be perfect onstage.

FOR COMPANY WOMEN:

FACE

- **FULL COVERAGE CONCEALER** *We recommend all NYX concealers.
- **FULL COVERAGE FOUNDATION** (Liquid or pressed- your preference)
- ***MAKEUP SPONGE** (only if you are using LIQUID foundation). We recommend the brand name "Beauty Blender" Egg as it is superior quality.
- ***TRANSLUCENT SETTING POWDER** Setting powder comes either loose or pressed. If you chose a loose powder please note you will also need a brush to apply it.
- **VIBRANT BLUSH IN A DEEP ROSE COLOR** Powder Blush only, no cream or shimmer
- **BLUSH BRUSH** If your blush does not come with an applicator, you will need a large fluffy brush.
- **SETTING SPRAY.** A setting spray keeps your makeup in place and is an absolute must. We recommend NYX MATTE FINISH.

EYES

- **BROW PENCIL** a shade darker than your normal color
- **BLACK EYELINER** (Pencil or Liquid- whatever you are most comfortable with) We recommend a BRUSH tip for easy application (NYX Epic Ink Liner and Revlon Colorstay Skinny)
- **WHITE EYE PENCIL-** pencil only. (not liquid) must be a creamy formula to blend.
- **BLACK MASCARA**
- **NUETRAL EYESHADOW PALETTE** (Pressed powder shadow) Look for a simple MATTE palette that contains white/off white/cream/ dark browns and light browns.
****For darker skin tones, please look for a palette with richly pigmented gold, bronzes, browns, creams and whites.
- **EYE SHADOW BRUSHES** You only need 2 eyeshadow brushes, one for packing on the base color, and another for applying shadow in the crease. The base brush is usually

tightly packed and rounded, the crease will be fluffy and come to a point. Please ask a employee if you are unsure.

- **FAKE EYELASHES** Please get long dramatic styles. We prefer that you pick a shape that extends and is longer at the outer corners of the eyes. We recommend Ardell brand.
- **EYELASH GLUE** We recommend DUO quickset in Clear.

LIPS

- **TRUE RED LIPSTICK** Matte only, no shimmer, tint or gloss. The red must be hyper pigmented on the blue side (no orangey reds). Do your best to get one of these exact reds:
 1. Maybelline Super Stay Matte Ink in “Dancer”
 2. Covergirl Outlast All Day in “Your Classic Red”
 3. Revlon Colorstay Ink “My Own Boss” and “Forever Scarlett
 4. NYX Lingerie XXL in “Untameable”
- **TRUE RED LIPLINER** *We recommend NYX in RED

MISC

- Q-tips for precision makeup fixes
- Liquid eye makeup remover
- A small pair of beauty scissors
- ***Eyelash applicators are very helpful for applying false lashes
- Make sure to purchase a makeup bag to store all your products.

**The BEST product to remove makeup is Pond’s Cold Cream...it is gentle on the skin and will keep your face hydrated.
