

NUTCRACKER makeup will be applied at home. You will need the following items.

These items can be found at Target, Ulta Beauty, Amazon, and most drugstores.

NYX, L'Oreal, Revlon and Covergirl are some of our favorite brands.

If you are unsure of where to start with Foundation...visit A Chorus Line in Valencia, they carry the full line of Ben Nye stage foundation and will color-match you in store.

MICE & SOLDIERS: SKIP blush. Mice will use **PINK** lipstick instead of red. Please use the links on the back of this sheet for the tutorials.

Soldier cheeks will be done at the theater by the makeup artist.

FOR ACADEMY GIRLS:

- **Foundation** (We recommend a pressed powder foundation for our very young students!) Older students may use liquid or cream foundation if desired. If you use Liquid or Cream you will also need a **Translucent Setting Powder**.
- **Vibrant rose blush** (Powder Blush only, no cream!) if your blush does not come with an applicator use a large fluffy brush.
- **Black eyeliner pencil** (or liquid if comfortable)
- **White eye pencil** - We suggest NYX and Mehron (Mehron available on Amazon)
- **Black mascara** (only for older children)
- **Bright Red Lipstick** Matte only, NO shimmer, tint or gloss. (no red lipstick for boys!) We recommend a "colorstay" formula as once applied it will not smudge! Here are some examples of the perfect lipstick:
 1. Maybelline Super Stay Matte Ink in "Dancer"
 2. Covergirl Outlast All Day in "Your Classic Red"
 3. Revlon Colorstay Ink "My Own Boss"
 4. NYX Lingerie XXL in "Untameable"******MICE will use PINK lipstick!******
- **Bright Pink Lipstick (FOR MICE ONLY)** Matte, NO shimmer, tint or gloss. We recommend a "colorstay" formula as once applied it will not smudge! Here are some examples of the perfect lipstick:
 5. Maybelline Super Stay Matte Ink in "Romantic"
 6. Revlon Colorstay Ink in "Seal the Deal"
 7. NYX Lingerie XXL in "Pink Hit"
